THREE OLD GUYS! - ONE GREAT CAUSE!

WHAT DO AN OLD GERMAN, OLD IRISHMAN, & OLD ENGLISHMAN HAVE IN COMMON?

They are raising awareness & money to help fund 'An Saol's' €1.5m project to rehabilitate survivors of severe Acquired Brain Injuries (sABI) in Ireland.

Reinhard (57), Martin (64), and Chris (57) are attempting a 1000Km bike ride up the Californian Coast! That would be tough enough for the most athletic cyclists... **BUT THESE OLD BLOKES???**

**DON'T LET THEM CRAMP, BLISTER
AND MOAN FOR NOTHING!!!**

PLEASE TELL EVERYONE YOU KNOW ABOUT THE
CAUSE & SUPPORT THEIR FUNDRAISING EFFORTS!
