Mission, Objectives and Strategy

Mission Statement

The company mission is to afford every opportunity to survivors of severe acquired brain injury (sABI) to live their life with dignity and respect.

As a result of dramatic improvements in emergency medicine, many more persons survive severe Acquired Brain Injuries than ever before. While the emergency care for these injured is well understood and developed, the mid- to long-term requirements of survivors, allowing them to construct their new lives, are not, as are the needs of the families supporting the injured. The purpose of the HSE funded three year pilot project is the development and implementation of a framework and service supporting the life and living requirements of persons with sABI and their families long-term.

Objectives

The key objectives of the company are :

- To provide therapy for severely brain injured persons, including physiotherapy, occupational therapy, speech therapy, music therapy and psychological guidance;
- To encourage and support the involvement of families, friends and the community with these people;
- To raise funds to develop the facilities to provide a purpose built residence, with in house therapy facilities, respite and day care.

Structure, Governance and Management

Structure

The company's activities are administered by the Trustees who are appointed for three-year terms which are renewable. The maximum agreed tenure of any board member is a period of three terms of three years. The Trustees are the directors of the company.

The Trustees are listed on page 3. The Trustees have a diverse range of relevant expertise. No Trustee can be appointed to any salaried position of the Company.

The Trustees monitor the work of company at each Board meeting. The Board met five times in 2020.

In between meetings, the day-to-day management of the organisation is delegated to the Chief Executive, Reinhard Schaler. The pay of the Chief Executive is reviewed annually to ensure that the remuneration set is fair and not out of line with that generally paid for similar roles.

Financial information is subject to detailed review at Board level.

for the financial year ended 31 December 2020

Review of Activities, Achievements and Performance

In 2019 the company opened its day care centre in Santry, Dublin 9 as part of the overall HSE funded project.

The project will offer its services in a way that is similar to that of a Day Care Centre, i.e. the project will, initially, not offer residential care, although this will be considered following the pilot phase. Participants will arrive from home each morning and return home each evening. The project will consider home-based care and care in geographically dispersed locations where that is possible and appropriate. It will also offer community rehabilitation at times where the resources of the Centre are not being used by the participants of the pilot demonstrator. The company will charge a reasonable fee to those attending community services. The An Saol Project will work to identify ways to encourage a strong personal commitment by the service users attending the Centre and their families and to strive to develop strategies to make the best use of equipment and professional staff at its disposal, including offering it at reasonable charges to other potential service users in the community.

In our opinion the financial statements:

- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", as applied in accordance with the provisions of the Companies Act 2014 and having regard to the Charities SORP; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other Information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the Directors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- in our opinion, the Directors' Annual Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. The financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Annual Report. The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT

to the Members of An Saol Foundation Company Limited by Guarantee

Respective responsibilities

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement set out on page 7 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Further information regarding the scope of our responsibilities as auditor

As part of an audit in accordance with ISAs (Ireland), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INDEPENDENT AUDITOR'S REPORT

to the Members of An Saol Foundation Company Limited by Guarantee

The purpose of our audit work and to whom we owe our responsibilities

Our report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

The financial statements have been presented in Euro (€) which is also the functional currency of the company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the charity's financial statements.

Basis of preparation

The financial statements have been prepared on the going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)".

The company has applied the Charities SORP on a voluntary basis as its application is not a requirement of the current regulations for charities registered in the Republic of Ireland. As permitted by the Companies Act 2014, the company has varied the standard formats in that act for the Statement of Financial Activities and the Balance Sheet. Departures from the standard formats, as outlined in the Companies Act 2014, are to comply with the requirements of the Charities SORP and are in compliance with section 4.7, 10.6 and 15.2 of that SORP.

Statement of compliance

The financial statements of the company for the financial year ended 31 December 2020 have been prepared on the going concern basis and in accordance with the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)" and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard.

Restricted funds

Restricted funds represent income received which can only be used for particular purposes, as specified by the donors. Such purposes are within the overall objectives of the company.

- General funds represent amounts which are expendable at the discretion of the board, in furtherance of the objectives of the company.

NOTES TO THE FINANCIAL STATEMENTS

continued

for the financial year ended 31 December 2020

Income

Income is recognised by inclusion in the Statement of Financial Activities only when the company is legally entitled to the income, performance conditions attached to the item(s) of income have been met, the amounts involved can be measured with sufficient reliability and it is probable that the income will be received by the company.

Income from charitable activities

Income from charitable activities include income earned from the supply of services under contractual arrangements and from performance related grants which have conditions that specify the provision of particular services to be provided by the company. Income from government and other co-funders is recognised when the company is legally entitled to the income because it is fulfilling the conditions contained in the related funding agreements. Where a grant is received in advance, its recognition is deferred and included in creditors. Where entitlement occurs before income is received, it is accrued in debtors.

Grants from governments and other co-funders typically include one of the following types of conditions:

- Performance based conditions: whereby the company is contractually entitled to funding only to the extent that the core objectives of the grant agreement are achieved. Where the company is meeting the core objectives of a grant agreement, it recognises the related expenditure, to the extent that it is reimbursable by the donor, as income.

- Time based conditions: whereby the company is contractually entitled to funding on the condition that it is utilised in a particular period. In these cases the company recognises the income to the extent it is utilised within the period specified in the agreement.

In the absence of such conditions, assuming that receipt is probable and the amount can be reliably measured, grant income is recognised once the company is notified of entitlement.

Expenditure

Expenditure is analysed between costs of charitable activities and raising funds. The costs of each activity are separately accumulated and disclosed, and analysed according to their major components. Expenditure is recognised when a legal or constructive obligation exists as a result of a past event, a transfer of economic benefits is required in settlement and the amount of the obligation can be reliably measured. Support costs are those functions that assist the work of the company but cannot be attributed to one activity. Such costs are allocated to activities in proportion to staff time spent or other suitable measure for each activity.

Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost or at valuation, less accumulated depreciation. The charge to depreciation is calculated to write off the original cost or valuation of tangible fixed assets, less their estimated residual value, over their expected useful lives as follows:

Long leasehold property	-	25% Straight line
Fixtures, fittings and equipment	-	20% Straight line
Motor vehicles	-	20% Straight line

Leasing

Rentals payable under operating leases are dealt with in the income and expenditure account as incurred over the period of the rental agreement.

Debtors

Debtors are recognised at the settlement amount due after any discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Income recognised by the company from government agencies and other co-funders, but not yet received at financial year end, is included in debtors.

Cash at bank and in hand

Cash at bank and in hand comprises cash on deposit at banks requiring less than three months notice of withdrawal.

Taxation and deferred taxation

No current or deferred taxation arises as the company has been granted charitable exemption. Irrecoverable valued added tax is expensed as incurred.
